

SAFEBOX™

Fully Assembled Hammer Box For Emergency Escape

- **Easy to Fit**
- **Secure Hammer Options**
- **Colour Match Options**

SAFEBOXES™ are delivered fully assembled and include your option of hammer, break glass, fixing methods & colour.

Standard SAFEBOX™

Custom **SAFEBOX™**

Many customers have individual requirements and the standard box will not fit. We offer a bespoke design service. The same high standard of materials and workmanship are employed so that the finished product is just right.
